

PACIFIC FUSION
RUNWAY

NOCTURNE UNDER THE STARS

NOVEMBER 26, 2025 | 6:30 PM

GreenTee Country Club Westwood Plateau
3251 Plateau Blvd, Coquitlam

Pacific Fusion Runway (PFR) is a luxurious and elegant showcase of high fashion, featuring independent designers, well-established brands, and boutique stores.

Objectives

- Provide an exclusive fashion experience and a unique shopping opportunity
- Promote talented designers by offering a high-end platform to showcase their work
- Establish a direct channel for designers, brands, and stores to engage with customers face-to-face

ABOUT PFR

ABOUT THIS EVENT

Join us in supporting **FRESHET NEWS, the voice of our community**. Every contribution helps ensure we can keep telling the stories that matter.

This event requires guests to attend in formal attire/evening wear. Refreshments will be provided during the event.

We invited 4 local outstanding designers, each presenting around 16 clothing designs showcased by models on a runway.

After the show, guests will have the opportunity to meet and interact with the designers.

All garments are handmade by the designers. If guests wish to learn more, they can directly interact with designers during a meet-and-greet after the runway show.

Agenda

- 6:30 - 7:00 PM Doors Open
- 7:00 - 8:30 PM Runway Show
- 8:30 PM Designer Meet-and-Greet & After Party

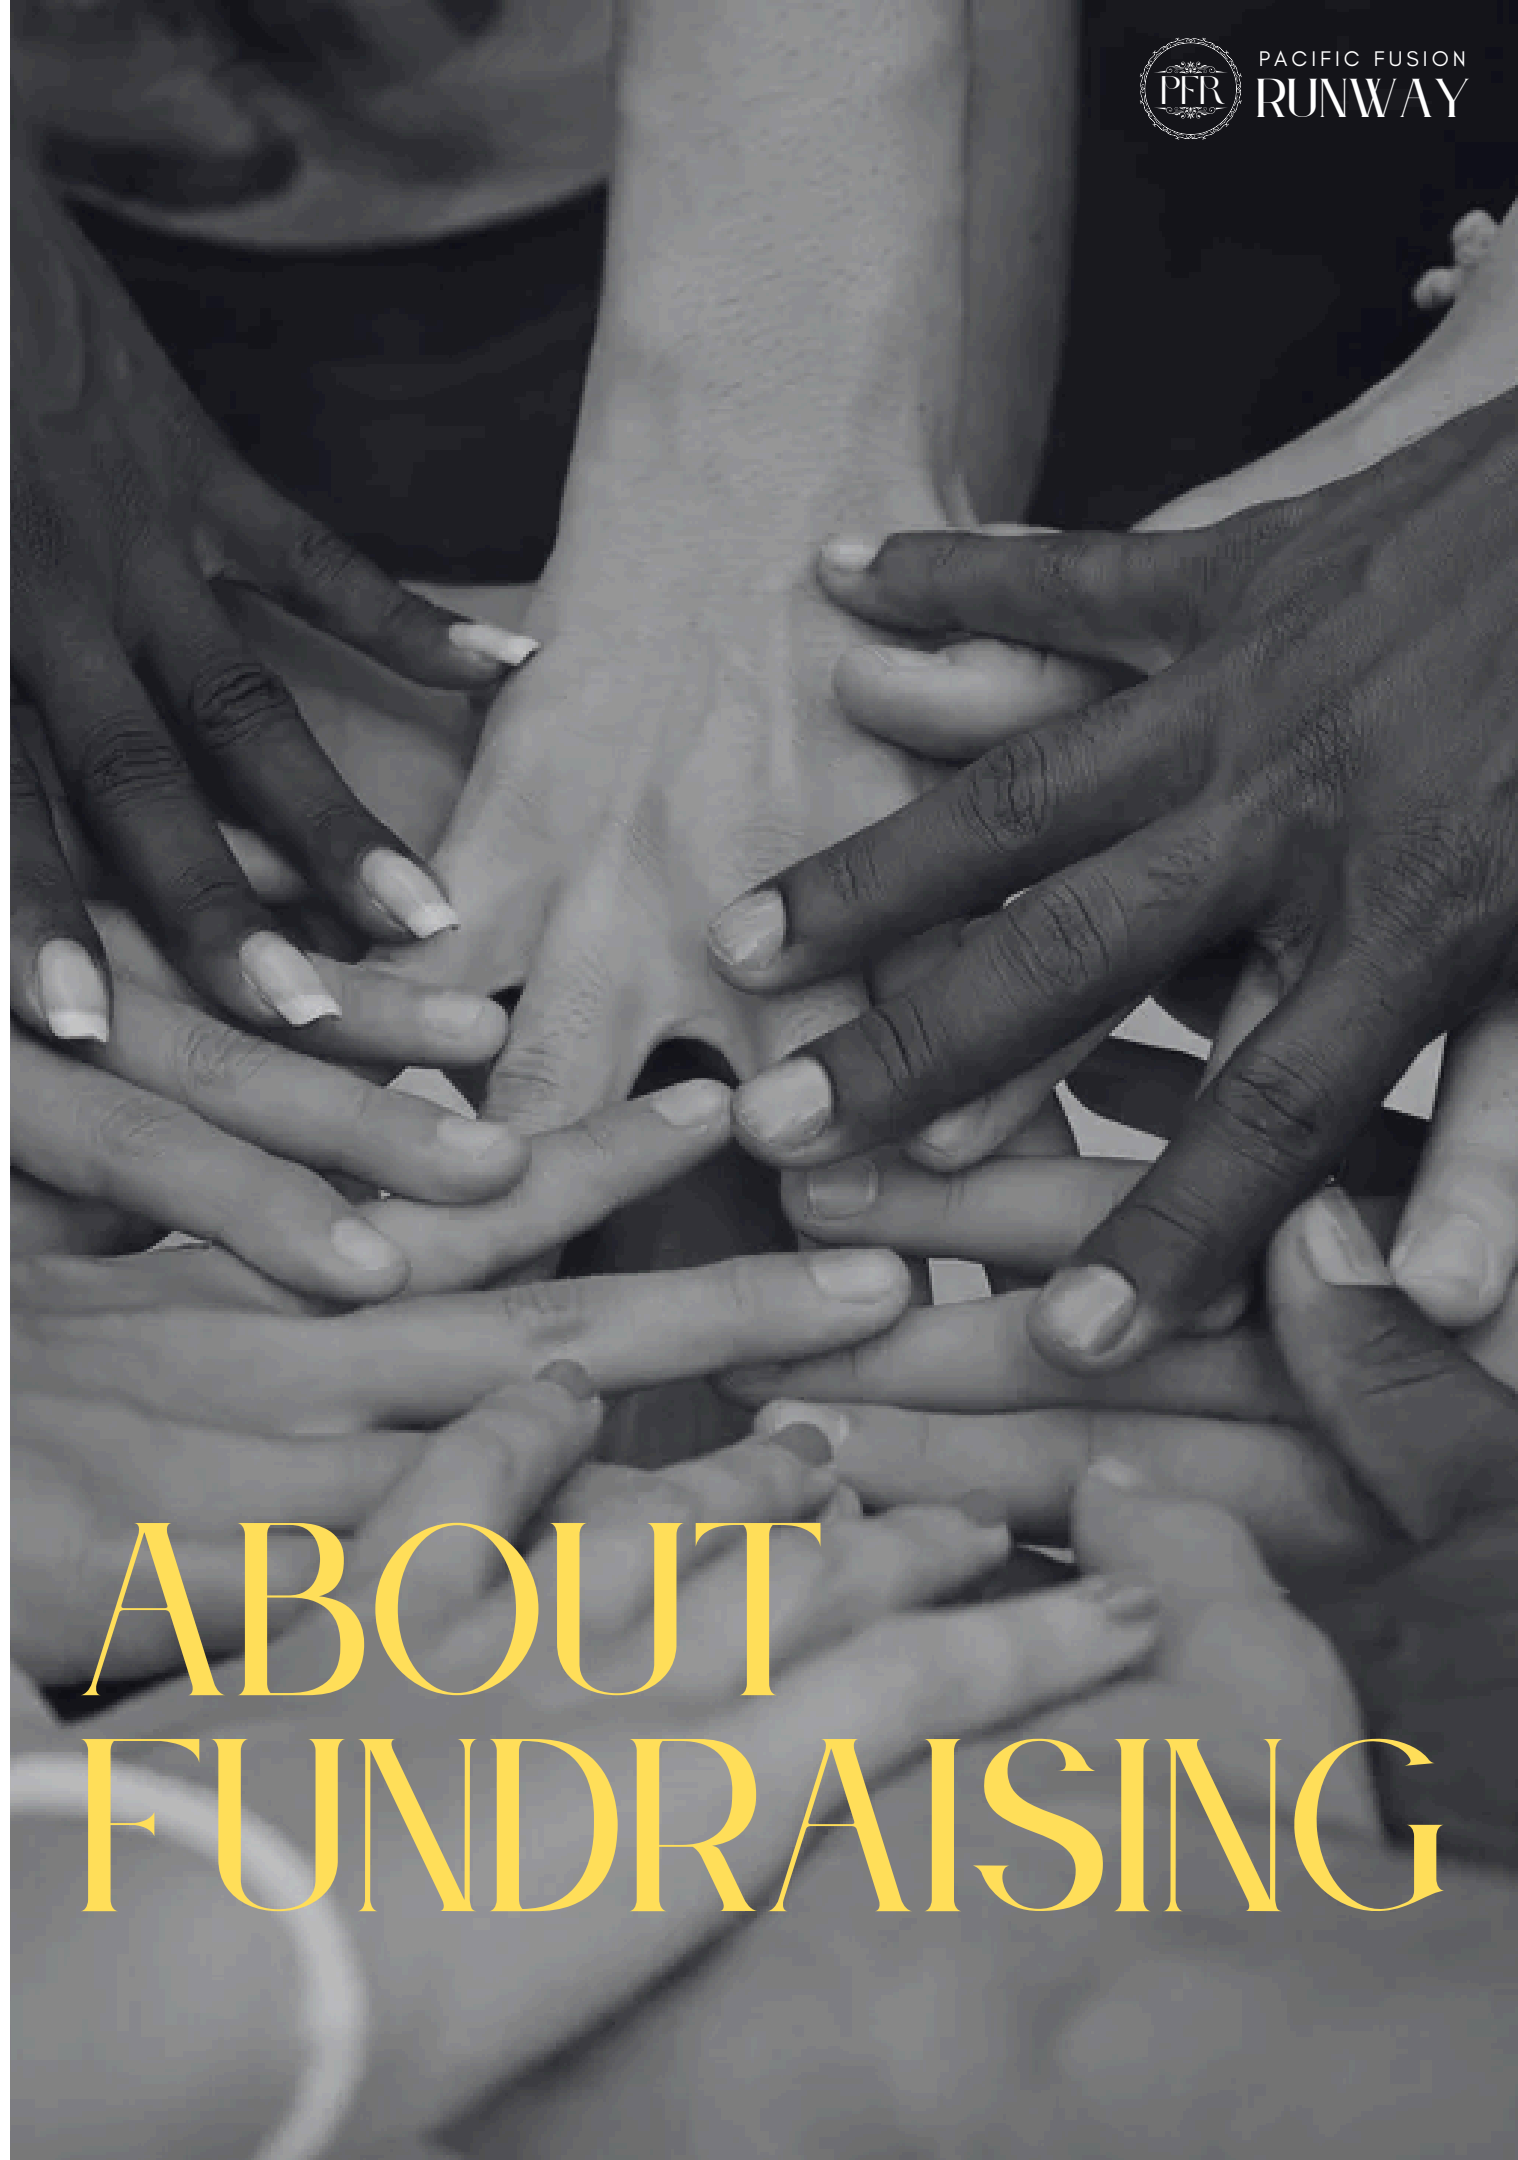

FRESHET NEWS

Burnaby • New Westminster • Tri-Cities

Freshet News was founded by four veteran reporters who worked at the Tri-City News, New Westminster Record and Burnaby NOW for decades before the news outlets closed in April 2025—in the middle of the federal election.

Freshet News is the first nonprofit news cooperative in Western Canada that's union supported. The founders pledge to be impartial and independent in their reporting.

This summer, they raised funds through the **Save Our Local News** campaign to bring quality and original reporting back to the three communities they live in, by providing meaningful articles through a website (freshetnews.ca) and a newsletter. They hope to produce a free weekly newspaper by the spring of 2026.
